Tracks and Trails Steering Group Workshop
17 November 2025 10.00 – 13.00
Shire Hall, Monmouth, NP25 3DY

Follow the Microsoft Teams meeting link HERE to join virtually.

Purpose of the workshops:

- To inform the group about the work of the consultant and gather feedback.
- To understand where there is disagreement
- To build up consensus about next steps / follow on actions.

Agenda

10.00 – 10.10	Introductions / Use of interactive equipment What are your expectations for today's meeting? A chance to learn to use the chromebook / xleap combo.
10.10 – 10.30	Presentation of the Consultant's Work to answer some of the following: • Context • Why we've got to this point. • What did the consultant do
10.30 – 10.35	Questions for clarification
10.35 – 10.50	Questions for the participants to answer in smaller groups: • What stood out from the presentation? • What seems critical from the presentation?
10.50 – 11.00	Whole room discussion answering: • What insights are beginning to emerge from our conversation?
11.00 – 11.20	Presentation of the Consultant's Work share recommendations.
11.20 – 11.35	Questions for the participants to answer in smaller groups: • What stood out from the presentation? • What seems critical from the presentation? • What insights are beginning to emerge from our conversation?
